# 3SIXT

## Lightning fast and safe.

Certified lightning to USB C™ cables for fast charging mode.

This is now changing:

- 3SIXT Lightning on USB-C™ cables support Apple's fast charging mode for lightning-fast and safe charging with the latest generation of connectors.
- Suitable for devices with Apple Lightning Connector and of course Apple MFi certified.

You can choose between the 3SIXT Red and Black series depending on the flexibility of the cables. Our Black Series cables are extremely robust and durable thanks to the nylon sheathing.
