LED white real wax candle, 7.5 x 10 cm

beautiful and safe lighting solution for many areas including homes and loggias, offices, schools or old people's homes

• unique flame effect thanks to moving wick and candle shell made of real wax – hard to distinguish from real candles
• with timer function – 6 hours on/18 hours off (in the "ON" position)
• warm candlelight – simple, elegant and particularly safe
• can be used in places where real candles are too dangerous or not allowed
• battery-operated (3 x AAA, not included in delivery)
• note: do not expose to high temperatures and strong sunlight, otherwise the candle will melt
