

**Real  
all-rounders!**

**Spot on.**

**Powerful spotlights for brilliant DIY projects.**

Your list of exciting projects is much longer than a short autumn day?

No problem with our range of spotlights and luminaires:

The swivel-mounted LED construction spotlights illuminate large areas of the garage, workshop or garden with up to 8,000 lumens - even in rainy autumn weather thanks to their high-quality, weatherproof aluminium housing. At the same time, LED magnifying glass luminaires ensure that every detail, from brushstroke to soldered joint, is correctly positioned.

For brilliant results, no matter how quickly it gets dark outside.
