

## Every new iPhone needs a charger.

Charge quickly? Click fast! Click here. 

Apple no longer includes one with the new iPhones. But with our powerful USB-C™ charging accessory, the battery is full in no time at all. The charger with USB-C™ Power Delivery combined with the USB-C™ Lightning Sync and Quick Charge Cables achieves 60% in 30 minutes - more than the original, but just as convenient and safe. And due to Apple licensing, also with overcurrent and surge protection.
