More speed. More possibilities.

The new USB-C™ Heroes.

Super fast synchronization and charging - with Power Delivery and enough power for large laptops.
Connect to the network at high speed via Ethernet. Or transfer 3D data, images and movies to the
screen with pin-sharp 4K. All at the same time, thanks to multiport adapters.
The new highlights in the USB-C™ range now bring even more comfort to home and office.
With more data speed, more power and more intuitive solutions for daily use.
