

3.6^{mm}
SLIM

Minimum diameter. Maximum flexibility.

Space-saving CAT 6 slim cables.

Over 30 percent thinner than normal cables plus an extremely short connector - including kink protection of only 4.2 mm. White, gray or black from 0.15 to 20 m long. CAT 6 slim cables are perfect wherever space is at a premium: in server racks, data or computer centers. For better organization and enough space where heat can circulate optimally.

Goobay

CAT 6 slim patch cable U/UTP

CU material

- unshielded LAN/network cable to connect network components with 2 x RJ45 connectors
- Low bending radius, extremely flexible, ideal to move to save space behind baseboards
- low cable diameter only 3.6 mm
- suitable for Power over Ethernet (PoE)
- short connector type with latch protection, with gold plated PINs
- length specification on strain relief
- pair-sequence acc. to EIA/TIA 568B

max. bandwidth	250 MHz
Specification	CAT 6
Cable type	round cable
Inner conductor material	CU (copper)
AWG	30/7 (stranded)
Shielding class	U/UTP
Material cable sheath	PVC
Cable sheath diameter (approx.)	3.6 mm
Kink protection	both sides
Connection, type	RJ45 male (8P8C)
Connection, shielding	no
Connection 2, type	RJ45 male (8P8C)
Latch protection	both sides
Contacting	EIA/TIA-568B
