

## Non-stop comfort for any trip.

Whether heading on a business trip, holiday to the sea or over the weekend to another country, our Travel Essentials make every trip as comfortable as possible. The wide range of adapters and voltage converters always ensures the right connection and the right power - ideal in combination with our powerbanks. Digital luggage scales make packing easier, no matter how much is on the packing list. And flashlights and headlamps light the way comfortably to the next outdoor adventure.

## Dual-USB Car Charger (2x USB)

12 W max. 2.4 A (12/24 V) 2x USB

- The charger in mini format charges two devices simultaneously on the cigarette lighter.
- The charger charges devices in the cigarette lighter socket with up to 2.4 A and thus supports devices in quick charge mode.
- Due to its extremely compact design, the charging adapter almost completely disappears in the cigarette lighter and turns it into a USB socket. It can be easily removed with the fingertips.
- Compatible with smartphones like Apple iPhone, Samsung Galaxy, Nokia, Xiaomi, Google Pixel, LG, Huawei, Blackberry, tablets like Apple iPad Pro / Air / Mini, Powerbank and external batteries.
- Suitable for use in cars with 12 V as well as in trucks with 24 V input voltage.
- An integrated protection electronics secures the connected devices and offers multiple protection against overcurrent, overload, overheating.
