

## Outdoor Network Cables

### Robust, weatherproof & strong against UV

If you want to set up a network outside your home, you will find the right cable for different purposes in our outdoor network range. The most common applications are SOHO applications (small office, home office), connection of surveillance cameras, installation on building facades and connection to devices with RJ45 connection, such as game consoles, HDTV and printers, in the garden house or when camping. The cable sheaths are **resistant to weathering and UV radiation**.

For self-installation we have both **unassembled outdoor network cables** in different specifications, shielding classes and materials as well as two **CAT6 outdoor network cable sets** in two lengths each. The rolled goods can be extended and connected by dustproof and waterproof **outdoor LAN cable connectors** - completely without special tools and STP shielded and UTP unshielded as required.

**Pre-assembled CAT6 outdoor network cables** are available from a length of 10 metres. The patch cables can be quickly and easily extended and connected by using an outdoor RJ45 modular coupling via plug-and-play.

		Outdoor patch cable with RJ45 connectors		Outdoor network cable set	
Specification		CAT6			
Shielding class		U/UTP			
Material		Copper (CU)	Copper-clad aluminium (CCA)	Copper (CU)	Copper-clad aluminium (CCA)
Length	10 m	55432	94389		
	15 m	55433	94391		
	20 m	55434	94392		
	30 m	55435	94393		
	40 m	55436	94394		
	50 m	55437	94395		
	60 m	55438	94396		
	75 m	55439	94397		
	100 m			55440	94398
305 m			55441	94399

### CAT 6 Outdoor-patch cable, U/UTP, black copper material, PE-outer jacket

- unshielded LAN/network cable to connect network components with 2 RJ45 connectors
- UV- and water resistant
- double outer jacket (PE)
- with gold plated PINs
- with strain relief and latch protection
- suitable for 10/100/1000 Mbit-networks
- pair-sequence acc. to EIA/TIA 568B

max. bandwidth	250 MHz
Specification	CAT 6
Inner conductor material	CU (copper)
AWG	24/1 (solid)
Shielding class	U/UTP
Material cable sheath	PE
Cable type	round cable
Cable sheath diameter (approx.)	6.6 mm
Kink protection	both sides
Connection, type	RJ45 male (8P8C)
Latch protection	both sides
Contacting	EIA/TIA-568B

### Outdoor (IP68) RJ45 patchcable connector, CAT 6 dustproof and waterproof, 2x RJ45 female (8P8C)

- IP68 dustproof and waterproof cable gland
- for outdoor/industrial applications
- offers increased protection for the connection against moisture and soiling
- quick and easy installation
- 2x shielded RJ45 port, assignment: 1:1
- for cable diameters of 4 – 8 mm
- suitable for PoE+ according to IEEE 802.3at

79566 Bulk **RRP 12.99 €**

max. bandwidth	250 MHz
Specification	CAT 6
Inner conductor material	CU (copper)
AWG	24/1 (solid)
Shielding class	U/UTP
Material cable sheath	PE
Cable type	round cable
Cable sheath diameter (approx.)	6.6 mm

### CAT 6 Outdoor network cable set, U/UTP, black copper material, AWG 24/1 (solid), PE, UV-resistant jacket

- unassembled data/installation cable for processing and installation with LSA connection technology for home and outdoor use
- consists of: CAT 6 LAN cable, crimping tool, 100x cable ties and 100x RJ45 plugs
- unshielded twisted-pair LAN cable
- double outer jacket
- resistant against UV and water damage
- suitable for Gigabit (10/100/1,000 Mbit) network
- the cable included with delivery is not permitted for permanent installation in buildings.

100.00 m 55440 Bulk **RRP 79.99 €**  
 305.00 m 55441 Bulk **RRP 175.00 €**

max. bandwidth	250 MHz
Specification	CAT 6
Inner conductor material	CCA (copper-clad aluminium)
AWG	24/1 (solid)
Shielding class	U/UTP
Material cable sheath	PE
Cable type	round cable
Cable sheath diameter (approx.)	6.8 mm

### CAT 6 outdoor network cable SET, U/UTP, black

CCA copper mixture for SOHO applications, AWG 24/1 (solid), PE, UV-resistant jacket

- non-terminated data-/installation cable for processing and installation with LSA connection technology for Home-/outdoor usage
- box includes CAT 6 Lan cable, Crimp tool, pack of cable ties (100pcs) and pack of loose RJ45 plugs (100pcs)
- unshielded twisted-pair LAN cable
- double outer jacket, UV and water resistant
- suitable for Gigabit (10/100/1000 Mbit) network
- Meets requirements for SOHO applications (Small Office, Home Office) up to a max. transmission length of 70 m!
- This product is not approved for permanent installation in buildings.

100.00 m 94398 Bulk **RRP 49.99 €**  
 305.00 m 94399 Bulk **RRP 99.99 €**

#### CAT 7 outdoor network cable, S/FTP (PiMF), black (OFC) CU, AWG 23/1 (solid), PE UV-resistant jacket

- non-terminated data-/installation cable for processing and installation with LSA connection technology for Home-/outdoor usage
- Inner conductor made of oxygen-free copper (OFC)
- double shielded twisted-pair LAN cable
- pairs screening: PiMF (pairs in metal foil) + outer shield: braiding
- UV-resistant outer material for outdoor installation
- suitable for Power over Ethernet (PoE, PoE+, UPoE and 4PPoE) and HDBaseT
- 10 Gigabit (10/100/1000/10000 Mbit) network suitable
