

Highlights for cozy days.

Autumn & winter lights.

Autumn and winter are almost back from their summer break. With our light highlights, you can prepare for the new season in a very cozy way. For example, with LED wax candles that look surprisingly real. Or with decorative Christmas tree candles and fairy lights for a festive glow.

Goobay

LED white real wax candle, 7.5 x 10 cm

beautiful and safe lighting solution for many areas including homes and loggias, offices or schools

- unique flame effect thanks to moving wick and candle shell made of real wax – hard to distinguish from real candles
- with timer function – 6 hours on/18 hours off (in the "ON" position)
- warm candlelight – simple, elegant and particularly safe
- can be used in places where real candles are too dangerous or not allowed
- battery-operated (3 x AAA, not included in delivery)
- note: do not expose to high temperatures and strong sunlight, otherwise the candle will melt
