

## Climate Refresh.

New favourites for the summer.

Plan ahead for summer and then just stay cool - for example, from now on with a mobile air-conditioning unit that can take on hot days, humidity and any window construction. Or with a 3D floor fan that provides the perfect climate. Quietly and with maximum ease thanks to the timer and remote control.

## AIR CONDITIONER. PERFECT ROOM CLIMATE, SIMPLE AND MOBILE.

### Three in one

Cools, dehumidifies or moves the air like a fan.

### With or without the push of a button

Can be controlled manually or ensures the perfect temperature automatically.

### Simply ready to go

With 2 m exhaust hose for casement and sliding windows.

## FANS. COMFORTABLE TEMPERATURE FOR EVERY ROOM.

### 3D fan: What's so special about it?

A 3D fan oscillates horizontally and vertically. In summer it cools faster than other fans - ideal in combination with an air conditioner. In winter, it efficiently distributes heated air throughout the room.
