garden
essentials

Flowery prospects

The start of the 2022 gardening season begins …

It's finally getting green again outside and the garden needs to be prepared for the warm season. With Wonder Grip® gloves, digging beds, pulling weeds and removing leaves becomes a real pleasure. The right lighting and power supply in place makes gardening easier. With our outdoor products, gardening enthusiasts master all challenges.

Goobay

Garden Socket 2-way with Remote Control
especially suitable for outdoor use, splash-proof (IP44)

• thanks to protection class IP44, the item is suitable for outdoor areas such as the garden
• handy remote control for switching on and off with a range of up to 30 m
• additional, illuminated on/off switch on the power socket
• outdoor power socket with earth spike for easy attachment in the ground
• ideal for powering fairy lights, garden lights, Christmas lights and other electrical appliances
• splash-proof (protection class IP44), with a maximum load capacity of 3,680 W

76779	Retail Box	**RRP**	**29.99 €**

Goobay

## Garden Socket 4-way with Ground Spike
splash-proof safety socket

- thanks to protection class IP44, the item is suitable for outdoor areas such as the garden
- robust outdoor socket in a subtle green, equipped with a ground spike for easy attachment and a practical handle for removal
- with a cable length of 2 m, the power sockets are ideal for fairy lights, garden lighting, Christmas lights and other garden electronics
- thanks to protection class IP44, the socket outlet is suitable for outdoor use
- sliding safety covers provide increased safety from electric shock

| 55943 | Retail Box | **RRP** | **19.99 €** |

Goobay

Safety Socket with Switch, Splash-proof
safety socket 1-way, suitable for outdoor use

- thanks to protection class IP44, the item is suitable for outdoor areas such as the garden
- intermediate plug with protective cap and illuminated on/off switch
- sliding safety covers provide increased safety from electric shock
- a sturdy housing and a robust frame provide extra durability
- outdoor socket outlet with a maximum load capacity of 3,680 W

| 41266 | Retail Box | **RRP** | **5.99 €** |

Goobay

AC Power Strip 3-way, Splash-proof, 3 m
3 safety sockets with protective covers, suitable for outdoor use

- power strip with sturdy frame and self-closing protective caps, suitable for outdoor and indoor use (protection class IP44)
- wall mounting of the outlet is possible thanks to practical eyelets
- illuminated on/off switch helps save energy
- power strip with sliding safety covers for increased protection
- socket outlets rotated by 45° for use of angled plugs directly next to each other
- straight safety plug
- GS-approved, maximum switching capacity 3,680 W at maximum current of 16 A

| 45193 | Sleeve | **RRP** | **16.99 €** |

Goobay

AC Power Strip 5-way, Splash-proof, 3 m

5 safety sockets with protective covers, suitable for outdoor use

- power strip with sturdy frame and self-closing protective caps, suitable for outdoor and indoor use (protection class IP44)
- wall mounting of the outlet is possible thanks to practical eyelets
- illuminated on/off switch helps save energy
- power strip with sliding safety covers for increased protection
- socket outlets rotated by 45° for use of angled plugs directly next to each other
- straight safety plug
- GS-approved, maximum switching capacity 3,680 W at maximum current of 16 A
