

travel essentials

Handy, compact travelling companion

Our must-haves for your next holiday

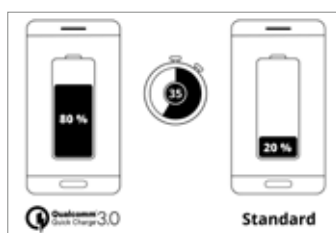

Whether business trips, road trips or action-packed or relaxed holidays, our rucksacks, torches and adapters make travelling easier. Electronic devices, such as smart phones, cameras, tablets and e-book readers, are in constant use. We have a few clever travel essentials in our product range to keep you from running out of juice when you're out and about.

Goobay

Quick Charge USB Car Fast Charger

18 W at max. 2.4 A (12/24 V), 1x USB, QC 3.0

- The compact quick charger charges devices from the cigarette lighter.
- The quick charger with QC 3.0 charges devices via the cigarette lighter up to 4x faster than conventional chargers.
- Due to its extremely compact design, the charging adapter almost completely disappears in the cigarette lighter and turns it into a USB socket. Easily removable.
- Compatible with smartphones like Apple iPhone, Samsung Galaxy, Nokia, Xiaomi, Google Pixel, LG, Huawei, Blackberry and tablets like the Apple iPad Pro, iPad Air, iPad Mini, as well as with power banks and external batteries
- Suitable for use in cars with 12 V as well as trucks with 24 V input voltage
- The integrated protection electronics secures the connected devices and offers multiple protection against overcurrent, overcharging and overheating.
