

A brilliant eye-catcher for the festive season

Battery-operated, weatherproof & equipped with a timer

The festive season is just around the corner and it's time to make the first preparations: A new star in the Goobay sky is the latest addition to our colourful range of lights: The LED Christmas Star 3D brings the magic of Christmas directly into your home. With its 18 points and warm white light, it creates an atmospheric ambience in the window, on the tree, in the garden or on the balcony. Thanks to its weatherproof construction and handy timer function, it is a versatile decorative element to enjoy all year round.
