

EVERKI®

STYLE THAT WORKS

PRODUCT LINE-UP 2023/24

EVERKI

Style that works.

OUR MISSION

We offer business professionals high-quality laptop bags and backpacks that they choose for the timelessly modern design.

We make products they appreciate more and more every day and enjoy over many years due to the numerous smartly engineered features, the durable materials and the meticulous workmanship. Our products are faithful companions in the mobile everyday life that do not compromise either design, function or quality.

STYLE THAT WORKS

EVERKI

Timeless elegance and functionality.

THE DNA OF EVERKI

The basic idea of EVERKI is very simple: design plus function plus quality. Everything that business professionals want from a laptop bag for their mobile working life.

How exactly do we know this? We ourselves have spent our entire career travelling around the world. Often spending far too long at the check-in at international airports or searching for our keys, wallet and cables.

After spending a long time trying to find the perfect laptop bag for on the road, we invented it ourselves in 2005. We have kept on inventing until today. Because the world is changing and with it, so are we and what we need.

STYLE THAT WORKS

EVERKI

Classy design.

MODERN DESIGN LANGUAGE
TAILORED TO OUR CUSTOMERS

Form follows function - and the needs of our customers. In our eyes, outstanding design is not only coined by a timeless style through the simple language of form, classy accents of leather and metal or modern colour contrasts: It also enhances our customers' style by producing what they need in any given situation. As an additional benefit, the many ergonomic features help them to cut a good figure.

STYLE THAT WORKS

EVERKI

Live at ease every day.

OUR KEY FEATURE

Why do our laptop bags and backpacks stand out in a crowd?

They are easy-to-use, reliable companions to our customers and highly comfortable. With them, you can abandon any concerns about appropriate style, sensitive technology or the weather. The elegant yet subtle design creates just the right amount of attention. Your laptop, mouse and sunglasses are safely protected in the thoughtfully engineered compartments, while high-quality materials keep all your belongings dry even in heavy downpour.

For an easy work life without compromise.

STYLE THAT WORKS

EVERKI

30-year warranty.

FOR AN ENTIRE WORK
LIFETIME

Our bags and backpacks are designed to accompany our customers over their entire working lives – as a matter of course and without compromise. This is why we offer a 30-year warranty on materials and workmanship. That means, if a seam should actually come loose: Just call our worldwide support and we will take care of it.

STYLE THAT WORKS

EVERKI

Features.

BACKPACKS

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan - simply unfold it to 180°.

RFID PROTECTION

A high level of protection in a low-key design: The RFID protection pocket keeps passports, credit cards and smart cards with a chip safe from illegal scans - securely hidden on the side yet easily accessible to you even when walking.

SUNGLASS COMPARTMENT

At times, the weather is changeable. That's why your sunglasses are always ready to hand in the top compartment - well-protected by the hard shell, should the clouds roll in again.

EVERKI

Features.

TROLLEYS

WELL-CONCEIVED COMPARTMENTS

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

CONTRAST LINING

The characteristic orange lining creates an exciting contrast to the elegant black – and the many things in the countless, smartly engineered compartments. Locate everything easily, immediately.

QUIET WHEELS

Modest style also has an acoustic dimension: Thanks to the large, stable castors, the trolley tackles any floor condition - at the airport, on gravel and on old cobblestone. Whisper-quiet and highly comfortable.

EVERKI

Features.

BRIEFCASES &
SLEEVES

SOFT POCKET FOR TABLET, KINDLE, IPAD

Your tablet, Kindle or iPad Pro up to 12.9 inches travel safely in the extra compartment. The extremely soft lining protects against dents and scratches. Just like a safety belt, the hook-and-loop fastener ensures that everything fits properly.

TROLLEY HANDLE PASS-THROUGH

A clever detail that makes even the longest trip with a lot of luggage easier: Simply thread your heavy laptop bag onto the handle of your wheeled suitcase – with the help of the trolley strap on the back.

ERGONOMIC SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides of the shoulder pad. The leather padding provides support, lessening the burden of carrying heavy luggage.

STYLE THAT WORKS

EVERKI

Corner- protection system.

PROTECTS
VALUABLES

Small bumps or even a fall – with the shock-absorbing corner-protection system, nothing will shake your laptop. The system reinforces the extra-thick padding on the bottom side, protecting the sensitive corners and edges.

STYLE THAT WORKS

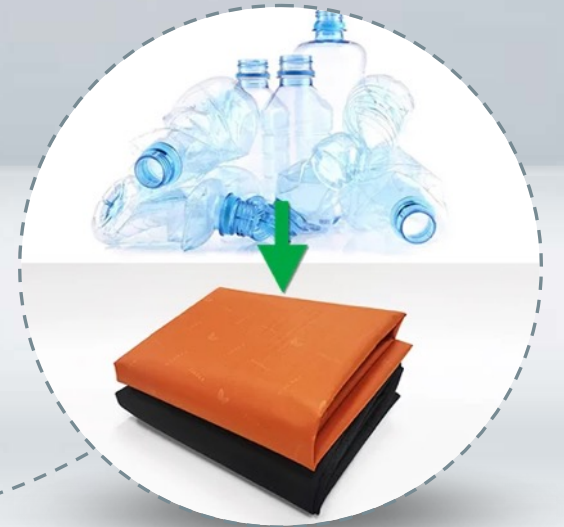

EVERKI

Eco-Line.

CONTAINS
RECYCLED
PLASTIC BOTTLES

Many professionals look for a backpack that adapts to their dynamic lifestyle while championing sustainability. The Eco-Line from EVERKI effortlessly meets these needs, offering flexible capacity and certified Global Recycled Standard fabric that contains 18 recycled plastic bottles.

STYLE THAT WORKS

EVERKI

Premium benefits.

FOR PREMIUM
PARTNERS

There are many good reasons to include our products in your portfolio. We deliver: Products with great value proposition that are available very quickly. A special after-sales support that helps you with all your questions and replaces warranty cases quickly and free of charge. Last but not least: Direct access to a dedicated media pool of high-quality images, videos and texts to help you sell.

STYLE THAT WORKS

EVERKI

Your Content.

MADE BY US

EVERKI®

BACKPACKS

SMART FEATURES, STYLISH DESIGN.

EVERKI

ATLAS. For big and small laptops.

Laptop backpack with adjustable compartment

Plenty of space with numerous compartments for better organisation, a trolley handle pass-through and ergonomic straps. The ATLAS laptop backpack is tailor-made for business trips and for different laptop sizes: With the smart system of hook-and-loop fasteners, you can quickly adjust the large laptop compartment to also fit a small notebook.

EVERKI

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan – simply unfold it to 180°.

QUICK-ACCESS POCKET

Interesting news makes the shortest waiting time even shorter. In the separate compartment at the front, you always have your reading material at hand – and just as quickly put away again.

ERGONOMIC SHOULDER STRAPS

The whole upper body is stronger than the shoulder muscles alone. The 5-point harness system distributes the weight evenly – through an adjustable chest strap plus shoulder straps that can be customised at the bottom and top to fit the body.

TROLLEY HANDLE PASS-THROUGH

CONTRAST LINING

FUNCTIONAL COMPARTMENTS

EVERKI

SUITE. Minimalist design. Maximum convenience.

Compact 14-inch premium laptop backpack

Smaller. Softer. Lighter. The laptop backpack SUITE combines minimalist design with maximum convenience. The padded laptop compartment easily holds a small laptop or a tablet while smartly engineered interior pockets hold everything you need on your way from meeting to meeting.

EVERKI

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan – simply unfold it to 180°.

SUNGLASS COMPARTMENT

At times, the weather is changeable. That's why your sunglasses are always ready to hand in the top compartment – well-protected by the hard shell, should the clouds roll in again.

ERGONOMIC SHOULDER STRAPS

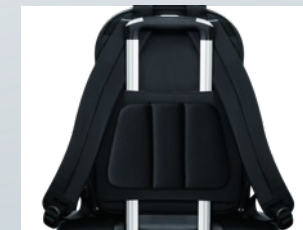

Small bumps or even a fall – with the shock-absorbing corner protection system, nothing will shake your laptop. The system reinforces the extra-thick padding on the bottom side, protecting the sensitive corners and edges.

FUNCTIONAL COMPARTMENTS

TROLLEY HANDLE PASS-THROUGH

CONTRAST LINING

EVERKI

ADVANCE. Stylish understatement.

15.6-inch laptop backpack for commuters

The laptop backpack ADVANCE is your stylish companion on every business day: Its simple design catches just the right amount of attention. In the intuitively engineered compartments, your documents are just as neatly organised as the items on your agenda. Even when you're travelling with more luggage, the backpack easily keeps up with your pace when attached to your trolley.

EVERKI

TROLLEY HANDLE PASS-THROUGH

A clever detail that makes even the longest trip with a lot of luggage easier: Simply thread your heavy laptop bag onto the handle of your wheeled suitcase – with the help of the trolley strap on the back.

ERGONOMIC SHOULDER STRAPS

The whole upper body is stronger than the shoulder muscles alone. The 5-point harness system distributes the weight evenly – through an adjustable chest strap plus shoulder straps that can be customised at the bottom and top to fit the body.

FUNCTIONAL COMPARTMENTS

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

SECURE POCKET

SOFT-LINING POCKET FOR LAPTOPS

MULTI-PURPOSE SIDE POCKETS

EVERKI

EVERYDAY 106. Lightness to go.

Lightweight 15.6-inch laptop backpack

As if you didn't have a backpack with you at all: Thanks to its minimal weight and clean design, the EVERYDAY 106 is your companion for maximum convenience throughout the day – on the way to the office, from meeting to meeting, to school or to the sports field. Packed with a 15.6-inch laptop, tablet, cables and everything you need on the go.

EVERKI

FELT-LINED POCKETS FOR LAPTOPS AND TABLETS

Your laptop and tablet travel safely in an extra compartment each. The extremely soft felt lining protects against dents and scratches. Just like a safety belt, the hook-and-loop fastener ensures that everything fits properly.

TROLLEY HANDLE PASS-THROUGH

A clever detail that makes even the longest trip with a lot of luggage easier: Simply thread your laptop bag onto the handle of your wheeled suitcase – with the help of the trolley strap on the back.

COMFORTABLE, COOLING BACK PANEL

The EVERYDAY 106 has your back: No matter what you take with you, the back padding protects you from edges and corners poking into your back. At the same time, the high-quality mesh material provides perfect air circulation.

SPACIOUS MAIN COMPARTMENT

HIDDEN STASH POCKET

EVERKI

CONCEPT 2. Takes on any challenge.

17.3-inch premium laptop backpack

Heavy rain, time pressure or important meetings. The laptop backpack CONCEPT 2 is designed for challenges. Made of water-repellent ballistic nylon for bulletproof vests, its modern design helps you leave a successful first impression. The many intuitively engineered compartments keep your belongings tidy – from batteries to magazines.

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan – simply unfold it to 180°.

SUNGLASS COMPARTMENT

At times, the weather is changeable. That's why your sunglasses are always ready to hand in the top compartment – well-protected by the hard shell, should the clouds roll in again.

CORNER-PROTECTION SYSTEM

Small bumps or even a fall – with the shock-absorbing corner protection system, nothing will shake the laptop. The system reinforces the extra-thick padding on the bottom side, protecting the sensitive corners and edges.

ERGONOMIC SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides of the shoulder pad.

HIGH-QUALITY LEATHER ACCENTS AND HANDLES

ZIPPER COMPARTMENT FOR ACCESSORIES

CONTRAST LINING

EVERKI

VERSA. Classy business look. Smartly tidy.

Premium laptop briefcase

The VERSA laptop briefcase is the elegant symbiosis of a classy business look and smart organising: Its outside is marked by a classic shape and refined leather accents, while inside, a double-sided organiser panel adjacent to the sturdy laptop sleeve keeps you prepared for meetings and check-ins.

EVERKI

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan – simply unfold it to 180°.

CORNER-PROTECTION SYSTEM

Small bumps or even a fall – with the shock-absorbing corner protection system, nothing will shake the laptop. The system reinforces the extra-thick padding on the bottom side, protecting the sensitive corners and edges.

DOUBLE-SIDED ORGANISER PANEL

Business and private – just like your day, the organiser panel has two sides. In the front, you can store your desk accessories: cards, pens, notes. Hidden on the back there is room for toiletries or your mouse and cable, in case you're just going to the office.

TROLLEY HANDLE PASS-THROUGH

ERGONOMIC SHOULDER STRAP

CONTRAST LINING

EVERKI

FLIGHT. Non-stop comfort.

Versatile 16-inch laptop briefcase

The FLIGHT is designed for frequent flyers: In the travel-friendly protective pocket of the flipped-open briefcase, your laptop will easily and quickly pass through the security check. The small front compartment holds your passport so that it is only a few inches away at all times. Thanks to the robust material, the FLIGHT is suitable for every climate zone.

EVERKI

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan – simply unfold it to 180°.

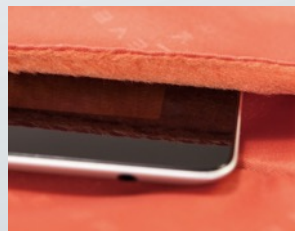

TROLLEY HANDLE PASS-THROUGH

A clever detail that makes even the longest trip with a lot of luggage easier: Simply thread your laptop bag onto the handle of your wheeled suitcase – with the help of the trolley strap on the back.

FUNCTIONAL COMPARTMENTS

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

SOFT-LINING POCKET FOR TABLET, KINDLE, IPAD

ERGONOMIC SHOULDER STRAP

ELEGANT LEATHER ACCENTS

EVERKI

LUNAR. Enormously compact.

18.4-inch laptop briefcase

A great design that makes even huge amounts of luggage look small. The LUNAR is one of the largest laptop bags from EVERKI. It easily holds 18.4-inch laptops, not letting you feel the weight thanks to the ergonomic shoulder strap. The simple design and the classy black leather accents also help to elevate every classic business look.

EVERKI

ERGONOMIC SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides of the shoulder pad. The leather padding provides support, lessening the burden of carrying heavy luggage.

TROLLEY HANDLE PASS-THROUGH

A clever detail that makes even the longest trip with a lot of luggage easier: Simply thread your laptop bag onto the handle of your wheeled suitcase – with the help of the trolley strap on the back.

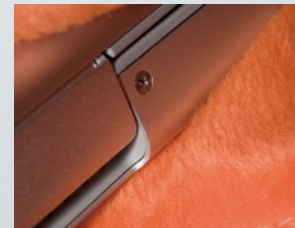

FUNCTIONAL COMPARTMENTS

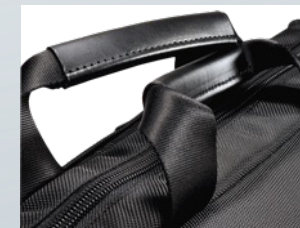

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

QUICK-ACCESS POCKET FOR DOCUMENTS

SOFT LINING

ELEGANT LEATHER ACCENTS

EVERKI

808. Extra protection. Extra light.

Laptop sleeve with memory foam

Day after day on the way to work, the laptop sleeve 808 lies securely in your hand thanks to the two comfortable handles. At the same time, its compact size easily fits in your trolley in case you are travelling with more luggage. The memory foam protects your laptop reliably from scratches, and with the easy-access compartment, you always have your ticket or the newspaper at hand.

MEMORY FOAM

Like a soft cloud: The memory foam snugly lies against your laptop, effectively preventing scratches and bumps from occurring on the surface, corners and edges.

FRONT POCKET WITH QUICK ACCESS

Interesting news makes the shortest waiting time even shorter. In the separate compartment at the front, you always have your reading material at hand – and just as quickly put away again.

FUNCTIONAL COMPARTMENTS

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

EVERKI

VENUE XL. Maximum comfort in a mini format.

Premium mini messenger, for iPad, Kindle, Tablet or MacBook up to 12.9-inch

The mini messenger VENUE XL accompanies you to relaxed meetings as well as to casual evening events with your iPad Pro or tablet only: Nice and easy. Despite its compact size, the many intuitively engineered compartments offer a generous amount of space for everything – from passport to concert tickets.

EVERKI

RFID POCKET

A high level of protection in a low-key design: The RFID protection pocket keeps passports, credit cards and smart cards with a chip safe from illegal scans – securely hidden on the side yet easily accessible to you even when walking.

SOFT-LINING POCKET FOR TABLET, KINDLE, IPAD

An iPad, tablet, Kindle or MacBook up to 12.9 inches travel safely in the extra compartment. The extremely soft lining protects against dents and scratches.

FUNCTIONAL COMPARTMENTS

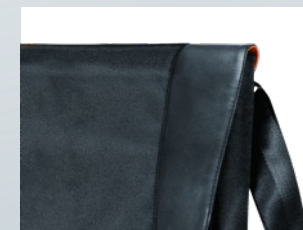

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

ERGONOMIC SHOULDER STRAP

BETTER ORGANISATION

ELEGANT LEATHER ACCENTS

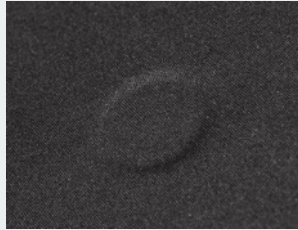

EVERKI

EVA 842. For a safe transport.

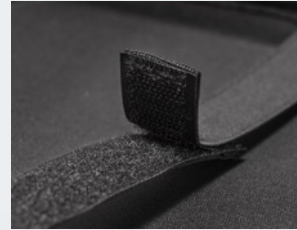

Hard Case, 11.6-inch to 11.7-inch

Designed to keep your netbook or laptop safe while travelling, the EVA 842 features a centre strap to keep the device safe and prevent unwanted moving around within the bag. It is equipped with foam padding on the inside and an EVA outer shell to protect against bumps.

MEMORY FOAM

Like a soft cloud: The memory foam snugly lies against your laptop, effectively preventing scratches and bumps from occurring on the surface, corners and edges.

HOOK-AND-LOOP STRAP

Comes with a hook-and-loop fastener to safely keep the notebook in place. The strap prevents the device from slipping during transport.

TWO CARRYING HANDLES

Compact and easy to carry. The two carrying handles are soft to the touch and allow for a comfortable and safe carrying of the case.

EVERKI

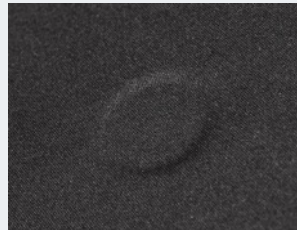

EVA 850. The perfect companion in your work life.

Hard Case with dedicated tablet compartment, up to 12.1 inches

Developed in order to keep your netbook, laptop, MacBook Air or tablet safe while travelling. Equipped with foam padding on the inside and an EVA outer shell to protect against bumps. Contains a separate, felt-lined tablet/iPad pocket and an internal pocket as well as a convenient padded shoulder strap and a handle for carrying.

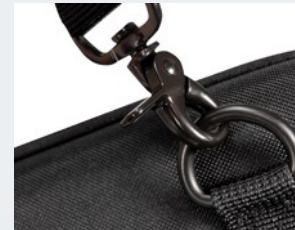

EVERKI

MEMORY FOAM

Like a soft cloud: The memory foam snugly lies against your laptop, effectively preventing scratches and bumps from occurring on the surface, corners and edges.

REMOVABLE SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic, removable strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides.

CONTRAST LINING

The characteristic orange lining creates an exciting contrast to the elegant black - and the many things in the countless, smartly engineered compartments. Locate everything easily, immediately.

EVERKI

EVA Core 871. Protects against bumps and scratches.

Hard Case for laptops, up to 13.3 inches

The EVERKI EVA Core hard case was designed with a robust frame in order to protect your 13.3-inch notebook against drops, bumps and scratches. Made from high-density foam, a rigid skeleton frame with a soft, felt inner lining, this case is the ultimate solution to protect your laptop and still fit it into a school bag. The adjustable shoulder strap and carrying handles make moving your device around easy in between lectures.

EVERKI

HOOK-AND-LOOP STRAP

Comes with a hook-and-loop fastener to safely keep the notebook in place. The strap prevents the device from slipping during transport.

REMOVABLE SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic, removable strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides.

SOFT PADDED COMPARTMENT

The characteristic orange lining creates an exciting contrast to the elegant black - and the many things in the countless, smartly engineered compartments. Locate everything easily, immediately.

EVERKI

EVA Core 875. Ruggedised briefcase.

EVA laptop briefcase, fits 13.3-inch to 14-inch

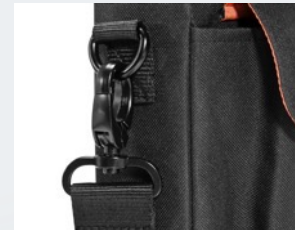

The EVERKI 13.3-inch EVA hard case for a netbook or laptop features a well-padded EVA inner foam structure as well as an outer hard structure to keep your device well secured against bumps and scratches. It comes with two quick-access front stash pockets to keep accessories and important items close at hand.

ADDITIONAL FRONT POCKETS

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items.

REMOVABLE SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic, removable strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides.

CUSTOMISABLE WINDOW

With the personalisable window on the back, you can add your individual information such as a name or picture and prevent mix-ups.

EVERKI

EVA 880. Universal hard case.

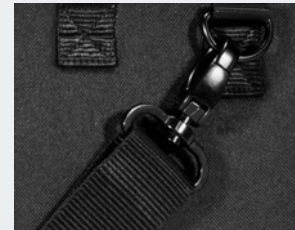

Hard Case Universal, fits for 12.5-inch to 14.1-inch

Developed in order to keep your netbook or laptop safe during transport, the EVA 880 features a centre strap to keep the device safe and prevent unwanted moving around within the bag. Equipped with foam padding on the inside and an EVA outer shell to protect against bumps.

HOOK-AND-LOOP STRAP

Comes with a hook-and-loop fastener to safely keep the notebook in place. The strap prevents the device from slipping during transport.

REMOVABLE SHOULDER STRAP

The whole shoulder is stronger than one muscle alone. The ergonomic, removable strap evenly distributes the weight of the bag, allowing you to perfectly adjust the strap on both sides of the shoulder pad.

PERSONALISABLE WINDOW

EVERKI®

TROLLEYS

ALL YOU NEED TO MAKE YOUR JOURNEY MORE PLEASANT.

EVERKI

WHEELED 420. Luggage on a grand scale.

XXL laptop-trolley with adjustable compartment from 15-inch to 18.4-inch

Perfect for making an entrance - and for your hand luggage. With the WHEELED 420 laptop trolley, you can travel comfortably with an 18.4-inch laptop and lots of equipment: The smartly engineered interior compartments provide space for projectors and folders, while the pockets at the front hold all the little things you need when you're on the move.

EVERKI

TRAVEL-FRIENDLY DESIGN

An extra compartment means you have your laptop or tablet immediately to hand at the security checkpoint. Everything else remains neatly packed. If travel-friendly designs are permitted, you can move the whole backpack through the scan - simply unfold it to 180°.

REMOVABLE LAPTOP SLEEVE

The customisable sleeve protects your laptop from scratches in the trolley. The laptop may remain in the sleeve at the security check, moving through the scan without any hassle.

FUNCTIONAL COMPARTMENTS

Safely stored and just a few inches away. Everything has its place in the system of inner and outer compartments: business cards, pens, mouse and cables. Business as well as private items. And even delicate things that need extra protection.

EVERKI

JOURNEY. One size for work and leisure.

Executive laptop trolley with adjustable compartment from 11-inch to 16-inch

The elegant JOURNEY laptop trolley is perfect for multi-day business trips and remains light enough for carry-on luggage thanks to the aluminium frame. Three compartments for laptop, tablet and smartphone plus a document organiser help you to organise your entire mobile office. At the same time, the separate sections ensure that your clothes or toothbrush don't make a random appearance at the next business meeting.

EVERKI

DEDICATED COMPARTMENT FOR CLOTHES

Tailor-made privacy. You can easily take your shirt, belt and toiletries with you in the extra compartment. Secure, neatly organised and safely hidden, even if you take documents from the business compartment during a meeting.

QUICK-ACCESS POCKET FOR MAGAZINES

Interesting news makes the shortest waiting time even shorter. In the separate compartment at the front, you always have your reading material at hand - and just as quickly put away again.

ACCESSORIES

CLEVER HELPERS FOR MAXIMUM CONVENIENCE.

MESHED POUCH

Refreshing design. The transparent yet robust mesh fabric of the pouch makes it particularly easy for you to locate the right accessory, with the characteristic orange lining also providing support. Literally a cool feature: Adapters stored in the pouch cool down faster thanks to the airy material.

POUCH

Cables, chargers, and a mouse from one, two or even three devices: The pouch protects the many small accessories of your equipment from tangling and clutter, also preventing the sensitive surfaces of your laptop or tablet from scratches.

RAIN COVER FOR ONYX, VERSA, ATLAS, FLIGHT, GLIDE

With the rain cover SHIELD you can take your valuable equipment safely to any destination – in the rain, in the snow or during a muddy bike ride. When surprised by sudden weather changes, you can quickly and easily pull it over the entire backpack. After the rain, you just remove the cover and are home and dry – literally.
