# Adapter USB-C™ to Jack, 3.5 mm AUX

USB-C™ connector > 3.5 mm female  
(3-pin, stereo)

## Features

The easy solution for connecting audio cables with a 3.5 mm jack plug to USB-C™ devices, e.g. to connect headphones to smartphones or tablets via cable

Perfect for devices without their own AUX port, e.g. the Apple iPhone 16, iPhone 15, iPhone 14, iPad or iPad Air, the Samsung Galaxy S24, S23, the Google Pixel 5-8 or the Xiaomi 13

As it is very small and compact, the jack plug adapter fits in any pocket and is handy for use on the go and when travelling

High-quality, robust metal plugs with bend protection ensure a particularly long service life

The braided, durable textile jacket of the headphone adapter has a pleasant feel and is gentle on sensitive surfaces

Thanks to precision manufacturing, the jack-to-USB-C™ adapter ensures excellent sound transmission without compromising on quality
