Performance that makes a difference

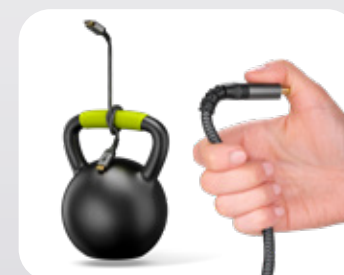

Put the “plus” in quality

The Goobay+ series provides the perfect equipment for demanding high-end audio and 8K Ultra HD visuals: Quality cables for every experience, boasting a wide array of compatible connectors. Whether robust metal housings, durable textile sheaths, gold-plated plugs or an integrated bend protection: The cables ensure that your customers can safely connect their electronics – today as well as tomorrow. Quality you can see and hear!

Elegant and slim design

with elegant metal plugs, flexible textile cable and gold-plated plugs to prevent corrosion

Robust and hardwearing

with integrated bend protection, textile sheaths and metal plugs

The perfect experience

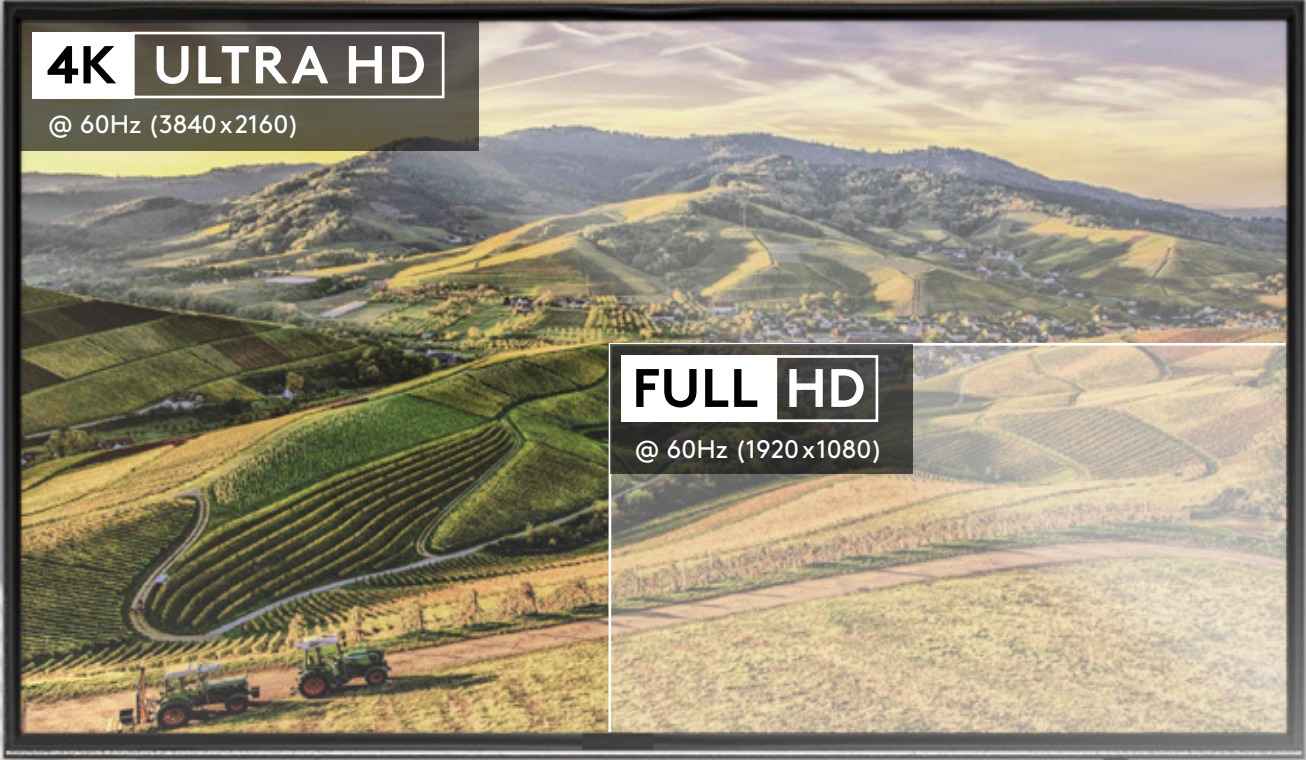

with secure technology for crystal-clear, high-resolution audio and/or video transmission

HIGH-SPEED HDMI™ CABLE WITH ETHERNET

FOR AUDIO AND VIDEO TRANSMISSION
UNIVERSALLY SUITABLE FOR MANY MULTIMEDIA APPLICATIONS
WITH BEND PROTECTION AND COLOUR-MATCHED TEXTILE CABLE

Razor-sharp images
for a breathtaking visual experience
with the right resolution

Perfect for every
application
movie nights, gaming,
working from home,
in the office

Goobay Plus
High Speed HDMI™ Cable

- HDMI™ 2.0 cable for audio and video transmission, e.g. from the PlayStation to the TV or from the TV to the SoundBar
- Universally suitable for many multimedia applications, e.g. projections from gaming, game consoles such as PlayStation 5 or Xbox, Fire TV, Apple TV, laptops and Blu-ray players
- Flexible premium cable with slim metal plugs, bend protection and colour-matched textile cable
- The braided textile sheath of the Goobay 4K cable provides a pleasant feel and is gentle on sensitive surfaces
- The gold-plated plugs prevent corrosion and are especially durable

High Speed HDMI™ Cable with Ethernet
4K/60Hz

- HDMI™ 2.0 cable
- The HDMI™ cable achieves UHD resolutions of up to 4K @ 50/60 Hz (3840 × 2160p) and a data transfer rate of 18 Gbit/s max.

Goobay Plus
Slim High Speed HDMI™ Cable

- Ideally suited for audio and video transmission between TV/monitor and projectors, game consoles (e.g. PlayStation 5, Xbox) or streaming receivers (e.g. Amazon Fire TV, Apple TV)
- Ultraslim design with short plug, bend protection and small bending radius for connection in confined spaces, e.g. on the back of devices in front of walls or in furniture
- With high-quality metal plugs and textile sheathing, which ensures a pleasant feel and protects sensitive surfaces
- The CEC function (Consumer Electronics Control) creates flexible operability via only one remote control, e.g. for switching on several paired HDMI™ devices with a single press of a button

Small bending radius Slim Standard

Slim High Speed HDMI™ Cable with Ethernet
4K/60Hz

- The cable is suitable for high-resolution image transmission with Ultra HD at up to 4K @ 60 Hz (backward compatible) and a data rate of up to 10.2 Gbit/s
- The integrated Ethernet channel (HEC) connects any HDMI™ device to devices in the wired network without a separate internet cable
- Supports 3D and HDR for excellent, high-contrast picture quality, HDCP 2.2 encryption and sophisticated audio features such as ARC and eARC (Enhanced Audio Return Channel)

Goobay Plus Audio Connection Cable AUX, 3.5 mm Stereo

3.5 mm male (3-pin, stereo) > 3.5 mm male (3-pin, stereo)

- Audio cable for connecting e.g. smartphones and tablets to audio output devices such as headphones, PC, amplifier, SoundBar, loudspeaker or car radio
- Highly flexible premium TRS cable with slim metal plugs, bend protection and a colour-matched textile cable
- The braided textile sheath of the headphone cable provides a pleasant feel and is gentle on sensitive surfaces
- The slim design allows for easy plug connection, even when connecting devices in a protective cover
- The jack plugs snap securely into place and ensure a firm fit in the device without slipping out
- The gold-plated jack plugs prevent corrosion and are especially durable
